In the morning, you will take about 2.5 hours driving to Longsheng, for your highlight tour to Longji Rice Terraces and Pingan Zhuang Village.

Longji Rice Terraces are reached from Guilin by mountain roads amid spectacular scenery. With a history of more than 700 years, the area is still being used for growing premium quality rice by Yao and Zhuang villagers. The rice terraces are built into the hillsides and look like great steps cut into the slopes as they wind around the mountainsides. This ingenious construction makes best use of the scarce arable land and water resources in the mountainous area.

Be transferred back to Guilin after the visits.
