☞ ITINERARY ☜

🕒 Duration

1 Day

- ☛ Meeting you at BTS station.
- ☛ Travel like the locals and take the skytrain to the river and board an **Express Boat** on the **Chao Phraya River** to Rachawong pier. Then, walk to the heart of Chinatown to pay a visit to the Chinese temple of **Wat Leng Noei Yi**. We take you for coffee or tea into a typical Chinese shop that exactly looks, like it did, decades ago, before we continue by public bus to the Indian quarter.
- ☛ We will stroll across the old iconic bridge **Saphan Phut**. On the other side of the

bridge we reach the Thonburi side and its **Portugese quarter** which is still very untouched by tourists. There we visit **Wat Prayoon**, which is lesser known than some of his "colleagues" but no less interesting and decorated with the UNESCO "Excellence Award".

☛ Continue with a visit of the **18th- century chapel of St. Cruz-Church** and stroll through the old alleys, where you can taste exquisite homemade pastries.

We will then board a **longtail-boat** and go on a klong tour which ends at **Klong Bang Luang**, a small artist- village. We will walk along the stilt-houses, where art of all kinds is on display and offer. On most days with the exception of Wednesday and Thursday you will be able to see a puppet- show.

☛ We will return by boat to the pier and then back to the hotel. But before you go back, you should not miss out on **feeding the fish in the klongs**. It's said to bring you good luck!
